

# PROGRAM AT-A-GLANCE

Schedule Subject to Change

	DAY 1 – 1 July (Saturday)			DAY 2 – 2 July (Sunday)						
9:00	ISSFAL Executive Committee Invitation Only				Satellite 1: (8:45 AM - 11:00 AM) R300 Omega-3 Science: Making sense of Controversies and Contraindications					
Noon					Satellite 2: (11:15 AM - 1:30 PM) R300 ISSFAL Prematurity Statement (ISSFAL Statement #7)					
14:00	ISSFAL Board of Directors Invitation Only				Satellite 3: (2:30 PM - 4:45 PM) R300 DHA and neurocognitive outcomes in infants and children					
18:00				Welcoming Reception at Nantes City Hall						
	DAY 3 – 3 July (Monday)			DAY4 – 4 July (Tuesday)			DAY 5 – 5 July (Wednesday)			
8:00				Meet the Professors Breakfast (Invite Only)						
8:15	Opening Ceremony A800			7:30 AM - 8:30 AM						
8:30	Plenary 1 N-3 PUFA in neuroinflammation, synaptic plasticity and mood and cognitive disorders			Plenary 3 The Evolving Role of 15-LOX in Inflammation			Plenary 5 Of Healthy Diets and Cardiovascular Disease: Lessons from the CORDIOPREV Study			
8:45	Prof. Sophie Layé			Prof. Valerie O'Donnell			Dr. Javier Delgado Lista			
9:00	NutriNeuro, INRAE   France A800			Cardiff University   Wales A800			Reina Sofia University Hospital of Córdoba   Spain A800			
9:15										
9:30	Coffee Break/ Posters & Exhibits			Coffee Break/ Posters & Exhibits			Coffee Break/ Posters & Exhibits			
9:45										
10:00	PS01 Fatty Acids and Related Lipids in Diabetes	PS02 Lipids in Brain, Neurosciences and Neurological Disorders	PS03 Dietary Lipids and the Microbiome	Sponsored Workshop Recent advances on the role of SFA on metabolic health. From nutrients to dairy foods. A800	PS09 Lipid Nutrition & Aging	PS10 New Frontiers in Lipidomics	SFEL Medaille Award & Session	PS 16 Lipids and Cardiovascular Diseases	PS17 Plant Sources of Long-Chain PUFA	
10:15										
10:30							Prof. Richard Bazinet			
10:45							University of Toronto A800			
11:00	A800	R300	R150		R300	R150		R300	R150	
11:15										
11:30	Early Career Award Docosahexaenoic acid in pregnancy and the neonatal period and child cognitive development Jacqueline Gould, BSc, BHSc (Hons Psych), PhD SAHMRI   Australia A800			N-3 Along the Food Chain 20 Years of “One Health” Development in France: The Bleu-Blanc-Coeur Concept Dr. Pierre Weill Bleu-Blanc-Cœur and Université Rennes 1   France A800			Alexander Leaf Award Professor Michel Lagarde INSA - Lyon   France ISSFAL President 2006-2009 A800			
12:15	Lunch / Posters & Exhibits			Lunch / Posters & Exhibits			Lunch / Posters & Exhibits			
13:15							ISSFAL Member Meeting A800			
13:30	Plenary 2 Requirements and effects of Omega-3 Fatty Acids for Extremely Preterm Infants: Perspective of a Pediatrician			Plenary 4 The Endocannabinoidome: An Expanded Endocannabinoid System Tightly Communicating with the Gut Microbiome			Plenary 6 Control of Acute and Chronic Pain by Omega-3 Fatty Acids			
13:45	Dr. Isabelle Marc			Dr. Vincenzo Di Marzo			Derived Pro-resolution Mediators			
14:00	University of Laval   Canada A800			University of Laval   Canada A800			Prof. Ru-Rong Ji			
14:15							Duke University   USA A800			
14:30	Sponsored Workshop Specialized Pro-resolving Lipid Mediators	PS04 Maternal and Infant Lipid Nutrition I	PS05 Lipids & Cancer	Sponsored Workshop Fatty Acids, Lipids and Cannabis	PS11 Dairy Fats And Cognitive/ Brain Health	PS12 Inflammation & Allergy	PS18 Hot Topics	PS19 Lipid Metabolism		
14:45										
15:00										
15:15										
15:30	A800	R300	R150		R300	R150	A800	R300		
15:45	 Solutex.			 KD Phyto® Creating Health Solutions						
16:00	Coffee Break/ Posters & Exhibits			Coffee Break/ Posters & Exhibits			New Investigator Research Awards and Closing Ceremony			
16:15										
16:30	PS06 Lipid Mediators	PS07 Maternal and Infant Lipid Nutrition II	PS08 Essential Role of Lipids in Visual Function	PS13 The Role of Minor Milk Derived Fatty Components	PS14 Acute Omega-3 Injection Therapies for Organ Injuries: A “New” Frontier	PS15 Lipids & Multi-Nutrient Interaction				
16:45										
17:00										
17:15										
17:30	A800	R300	R150	A800	R300	R150				
17:45										
18:00										
19:00	Young Investigator Social			Corporate Dinner Invitation Only			Closing Gala Dinner Château de la Poterie
